it. This is not statutory.

SENATOR BARNETT: No. Well, it is statutory that it stays in the Department of Health but he has full direction over that. He is given the power where to put it, Dick.

SENATOR R. LEWIS: Well, with that understanding, I am going to support your move to bring this bill back, then.

SENATOR BARNETT: Well, we have investigated it all the way from top to bottom.

PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: Mr. Chairman, as Senator Kremer said, Senator Barnett talked to us about this issue and certainly we want this part of it to be resolved to the satisfaction of those involved in the program and I would ask that you bring the bill back for Senator Barnett and add this amendment.

SENATOR BARNETT: No.

SENATOR MURPHY: All right. Thank you.

PRESIDENT: Do you want to close on this matter, Senator Barnett? The question is, shall the bill be returned to Select File for specific amendment. Record your vote. Record.

CLERK: 36 ayes, 0 nays on motion to return, Mr. President.
